To All Shareholders

Kia ora Koutou Katoa, I am writing to thank you all for the education grant which I received. I have completed my BA Level 4 computer course & received the top achievement award which Quality Education gives to top students in each centre.

At my graduation which was held 18<sup>th</sup> May 2007 Tokoroa, attended by CEO's from Auckland I was asked to do a video interview with my tutor, this video was then shown to 400 Quality Education tutors from around the country.

The CEO's then approached my tutor & recommended that I become a tutor. I am now doing work experience with Quality Education, Adult Education & Training course with Open Polytechnic; this is a three year course, Microsoft Office Specialist & will also be attending Waiariki Polytechnic for four week course on "MYOB".

So once again Kia ora to you all & thank you.

Yours truly

Patricia Wharekawa

Enclosed copy of BA Level 4 Cert.
